In one sense there is no death.
The life of a soul on earth lasts

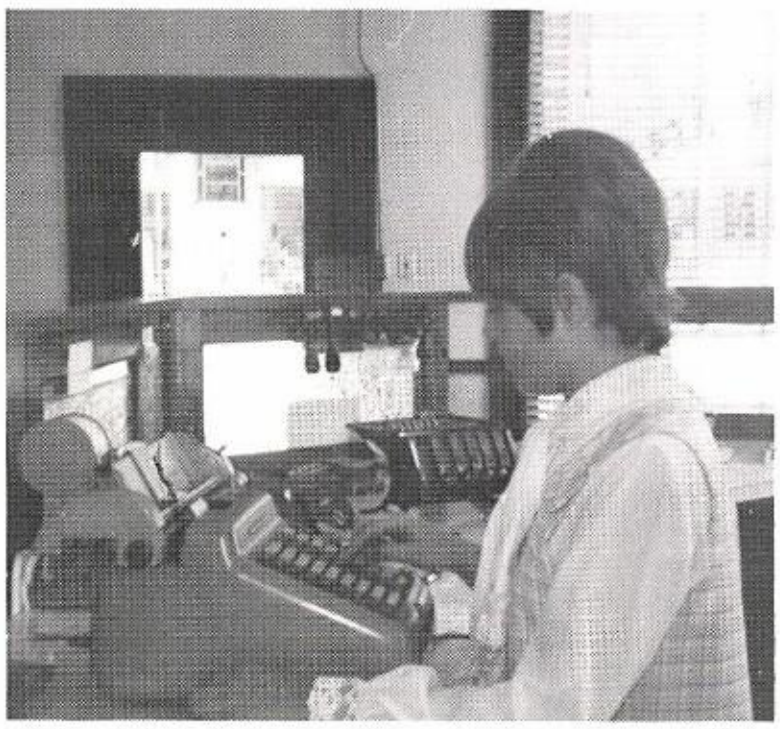
ADMINISTRATION

"The Direction in Which Education Starts a Man Will Determine His Future Life."

Plato

It seems improbable that our school could run effectively thout our counselor, Mr. Lyle Schoenwetter. Mr. Schoenwet-r, along with his assistant Mrs. Bonnie Sanders, works out ass schedules, guides students in their choice of college, onsors National Honor Society, the Senior Class, and smiles a t. New this year is the opportunity for students to go out and ork on "On the Job Training". This has been a valuable ex-rience for those taking part. We are glad to have Mr. hoenwetter not only because he helps us, but because his iling face has lifted our spirits out of many depressions.

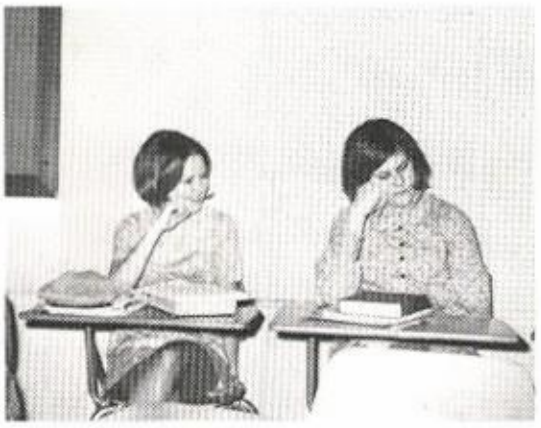
Mr. Schoenwetter Mrs. Sanders



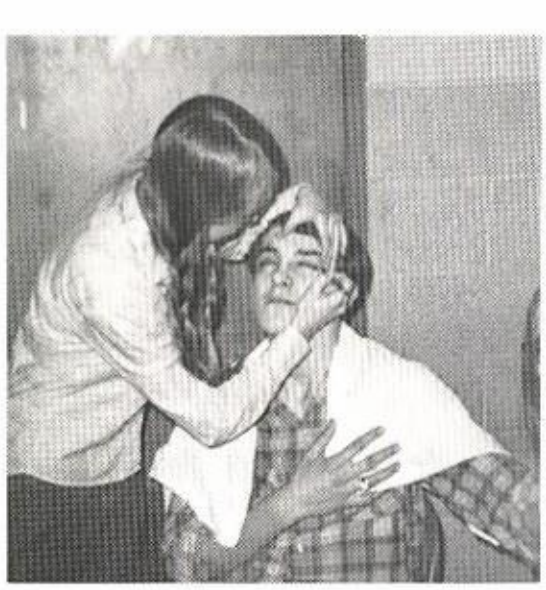
"All the World's a Stage, and All the Men and Women Merely Players. They Have Their Exits and Their Entrances; and One Man in His Time Plays Many Parts."

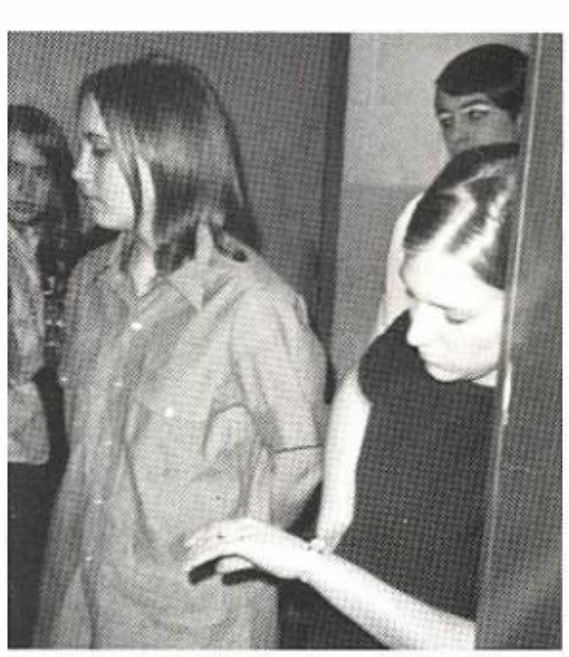
Shakespeare

Mrs. Sylvia Dailey



Whether on the stage at the Macomb Community Theater or in her classroom, Mrs. Sylvia Dailey is sure to get the attention of her audience. She teaches English I & II, and Speech, as well as being head sponsor for the Junior Class, and director of both class plays. She is an actress and a teacher, and certainly does both jobs well.

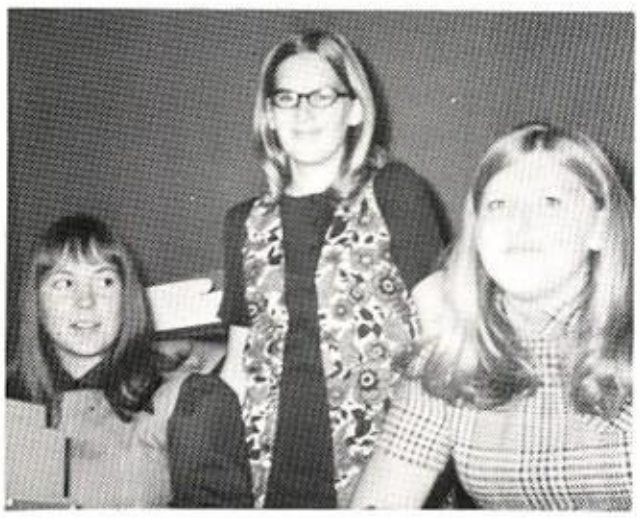


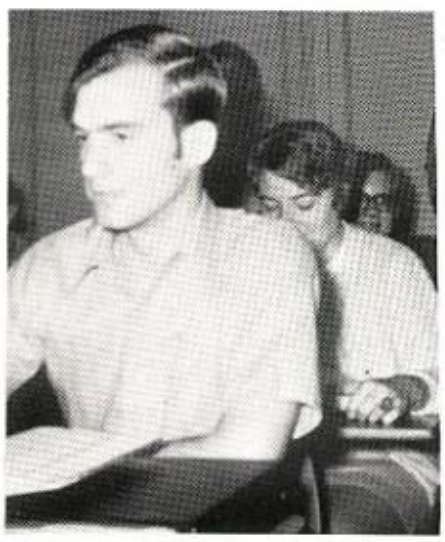


When you hear a clomp-clomp coming down the hall and see a can of Shasta Cola followed by a stern face, which hides a most lovely soul, consider yourself honored, for you have just met Mrs. Shirley Knowles. Besides being the school den mother, she teaches English III,IV, and Journalism, and serves as sponsor for annual staff and the Freshman class. She holds a B.A. degree from Western. She is a fine teacher and if you do not believe us, just ask her!!

"Nothing Great Was Ever Achieved Without Enthusiasm."

Emerson

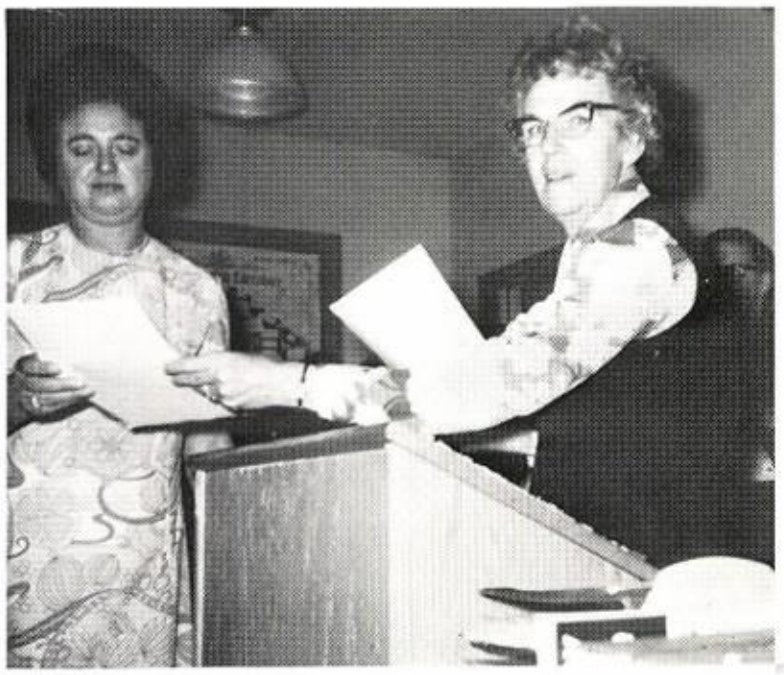




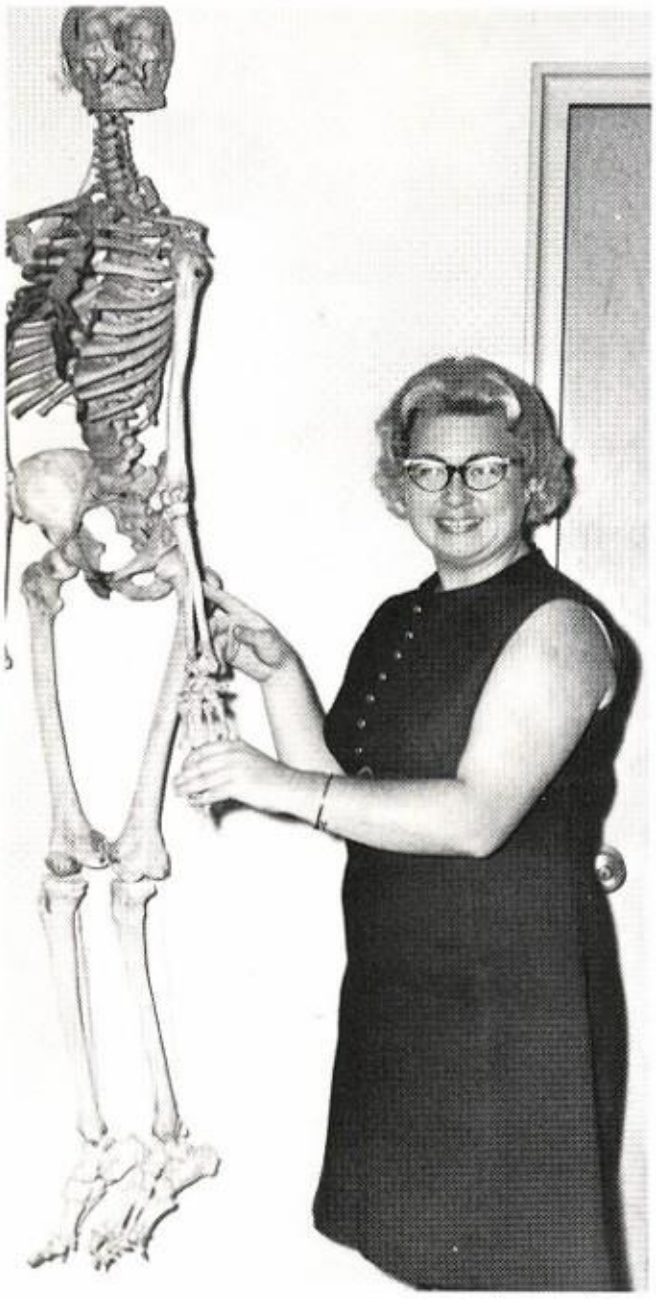
"Wisdom Is Knowing When You Can't Be Wise."

Paul Engle

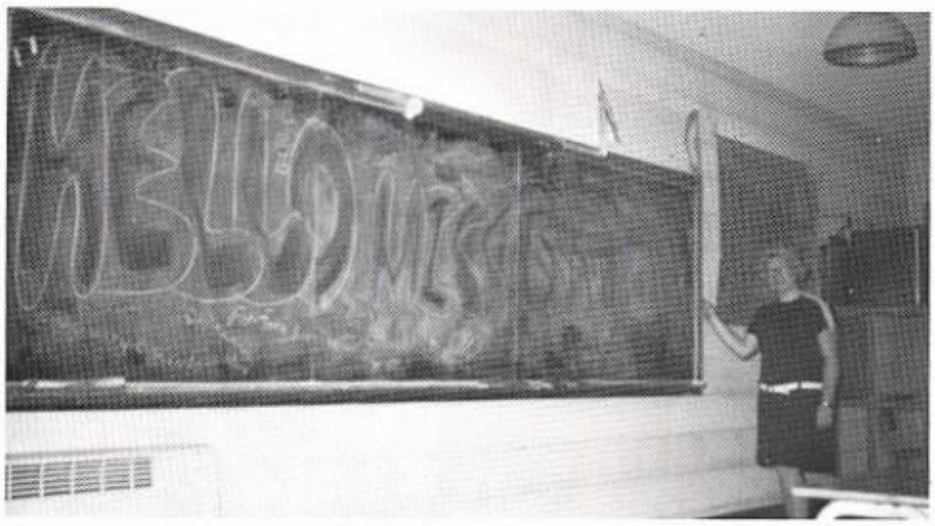
Anyone who attends V.I.T. but does not know Mrs. Katherine Adair is indeed missing something, for she is proof that one is only as old as he feels. She has both a bachelors degree and a masters degree from Western Illinois University. Here at V.I.T. she teaches special English and serves as a Junior Class sponsor. In her spare time she teaches Latin and has introduced puppeteering to her classes. She is indeed a center of "life" and "learning" here at V.I.T.

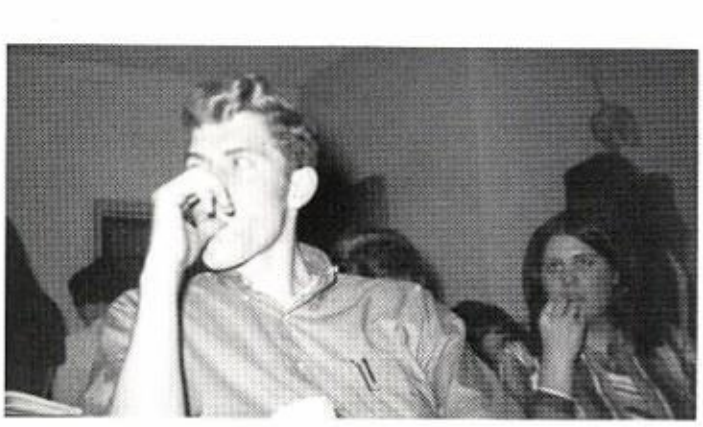


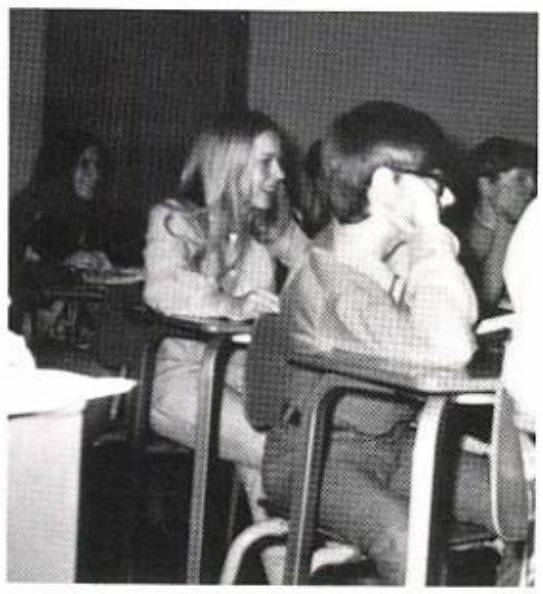
Science

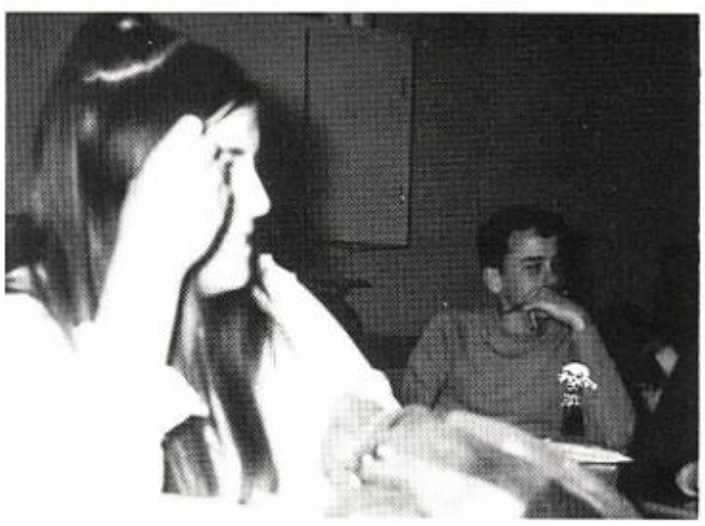


Heading the Natural Life Science Department at V.I.T. is Miss Connie Brown, who is a real "liver" herself. She teaches General Science, Biology I, and Biology II, is one of the sponsors of the Freshman Class, and an honorary G.A.A. member. Miss Brown is a good sport in all her classes, especially in 8th hour Biology II, as the Seniors will tell you. Miss Brown attended Western Illinois University and received her Bachelor's Degree. Good luck and best wishes to a future housewife.







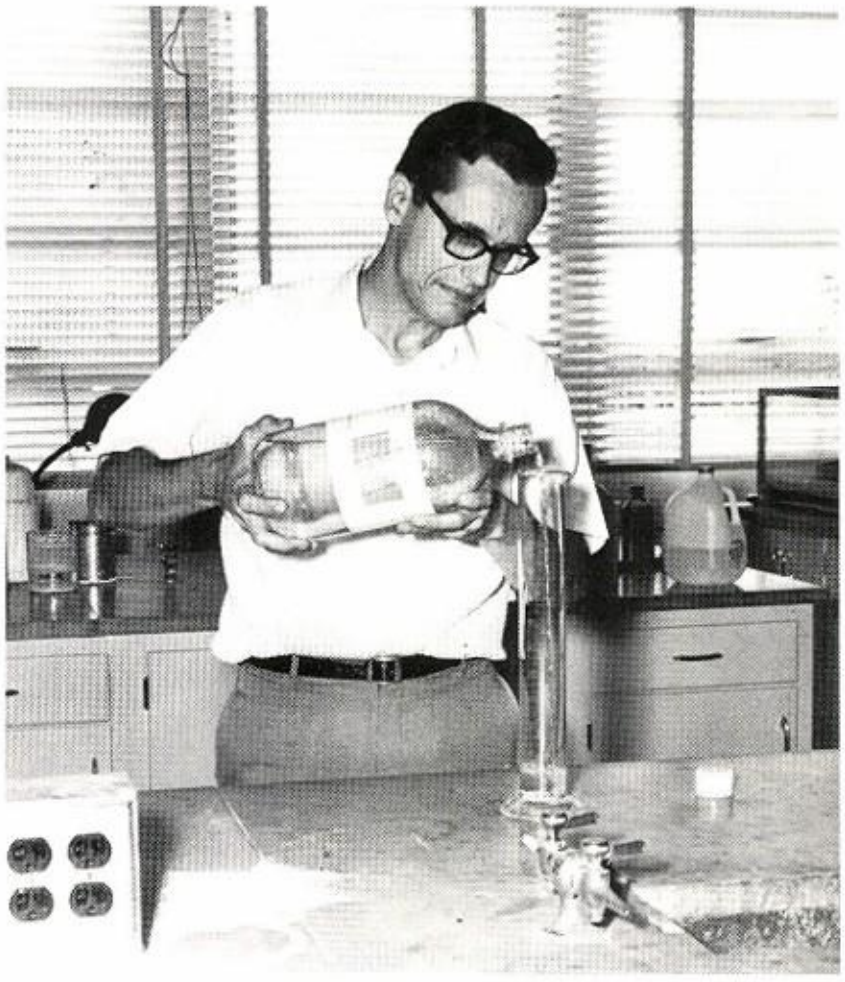


"In All Things of Nature There Is Something of the Marvelous"

Aristotle

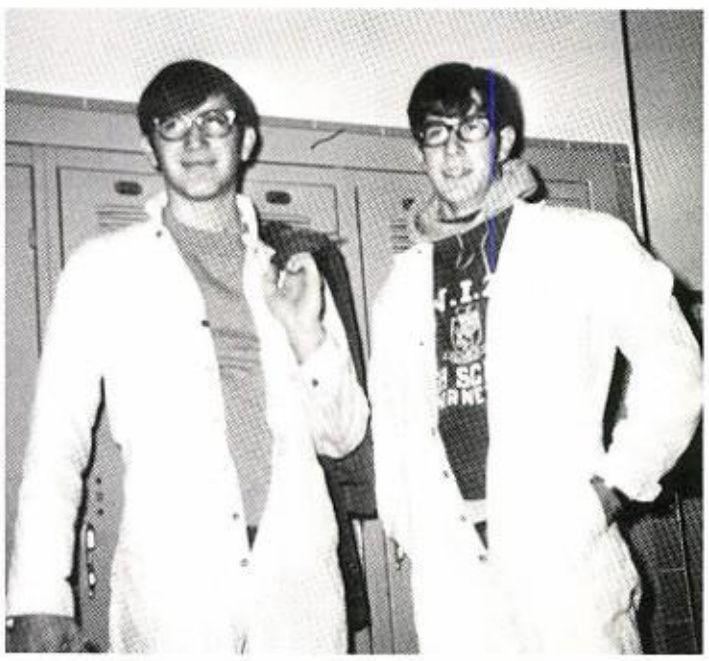
Department

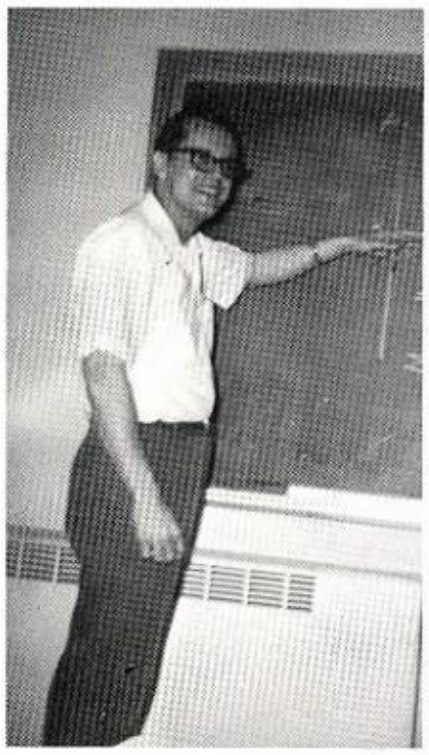
"How ya doin there--?" is the trademark of one of V.I.T.'s most illustrious teachers, Mr. Larry Inman. As well as being "Super Brain," Mr. Inman teaches Physics, Physical Science, Chemistry, Geometry, and Electronics, and sponsors the Senior Class. When you are a Freshmen Mr. Inman is the teacher you fear most, and when you are a Senior he's, well, he's still the teacher you fear most, but along with the fear is a genuine respect. Mr. Inman treasures knowledge, and this, added to his genuine interest in his students makes him a tremendous asset to V.I.T. and to any student who seeks knowledge.

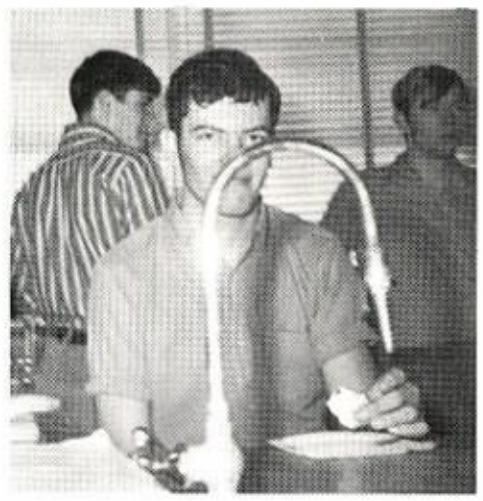


"The Whole of Science Is Nothing More Than a Refinement of Everyday Thinking."

Albert Einstein



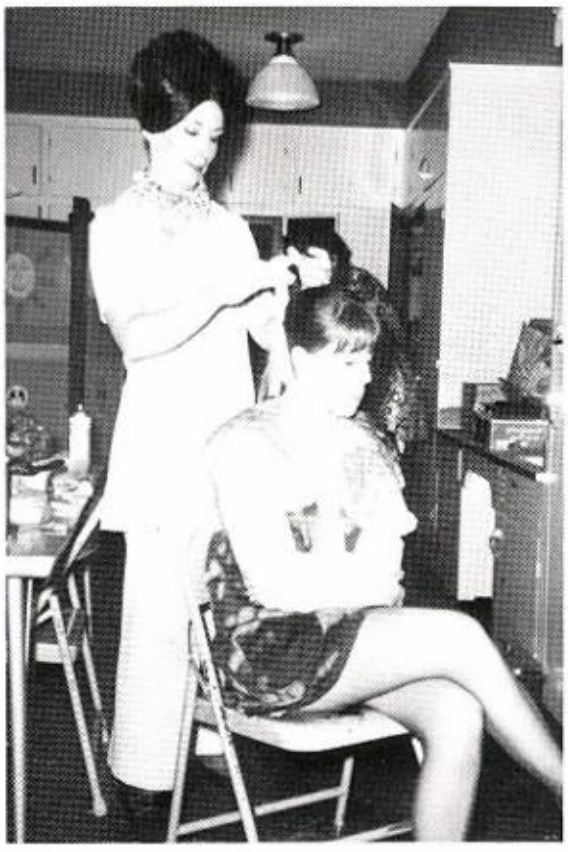


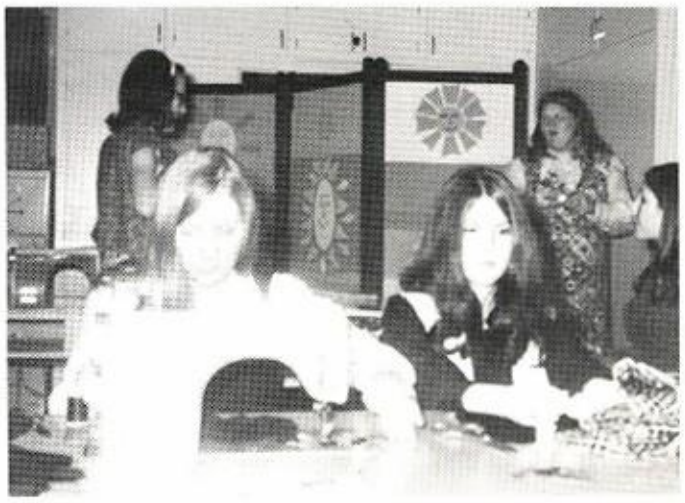


"Education Has for Its Object the Formation of Character"

Herbert Spencer

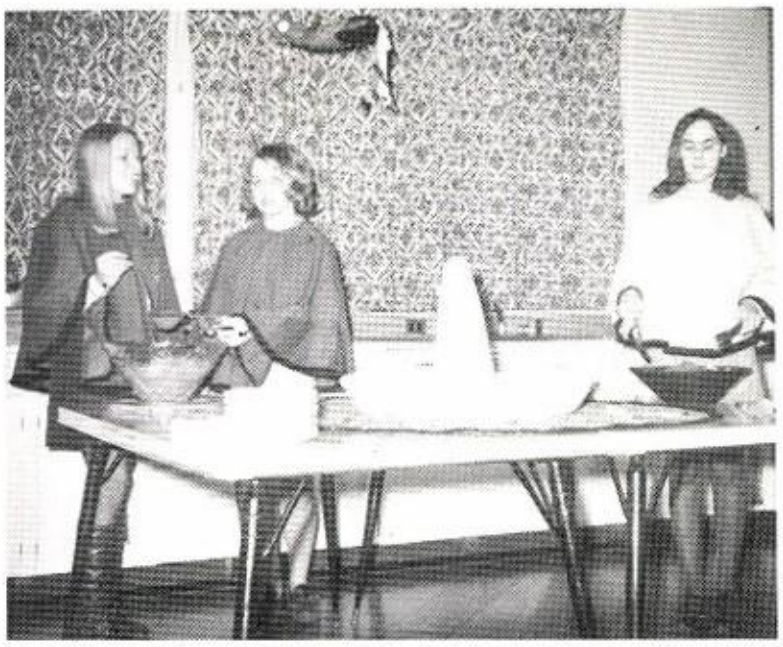
After 28 years of teaching, Mrs. Helen Hughes is our most experienced and one of our most popular teachers. Besides being the head of the mathematics department, she serves as Junior Class sponsor. She has a busy schedule teaching Practical Math, Algebra I, Algebra II, and Trigonometry. Mrs. Hughes has her Bachelors Degree from Illinois Weslyan University. Her experience has established a strong mathematics program for V.I.T. students.





"Genius Is Nothing but a Greater Aptitude for Patience."

Georges Buffon



If you are to marry a V.I.T. girl, and she is not fortunate enough to have a perfect little homemaker mother, then your happiness probably depends on what this girl learned in Home Ec. class. Don't despair for she has had Mrs. Ruth Ann Brumett for Home Economics teacher. This year the Senior Home Ec. girls are doing the interior decorating for the Vocational Building trades house. Mrs. Brumett is the FHA sponsor, and is a graduate of Illinois State University.

"A Wise Man Does Not Try To Hurry History."

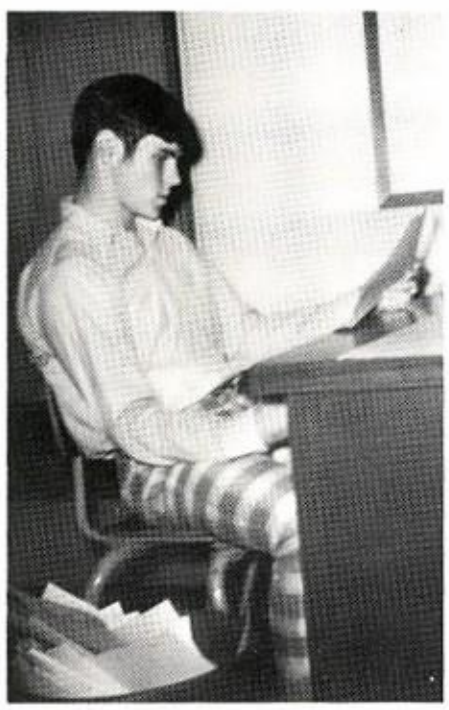
Adlai Stevenson

Among the faculty of V.I.T., one of the wittiest and most understanding is Mrs. Olive Pavelka. Mrs. Pavelka attended W.I.U. where she received her Bachelor of Arts degree in foreign languages. She teaches World History, French I, II, and III. Mrs. Pavelka sponsors French Club, Sophomores, and the Speech contestants.

"The Final End of Government Is Not to Exert Restraint But To Do Good."

U.S. Senate Speech
July 2, 1841

Mr. Nelson Snowden attended W.I.U. where he received his Bachelor of Science in education. Among the subjects he teaches are American History, World Geography, economics, and government. Mr. Snowden is also the coach of the football team and track team. He sponsors the Varsity Club and the Junior Class. A teacher with a friendly attitude and a concern for all is Mr. Snowden.

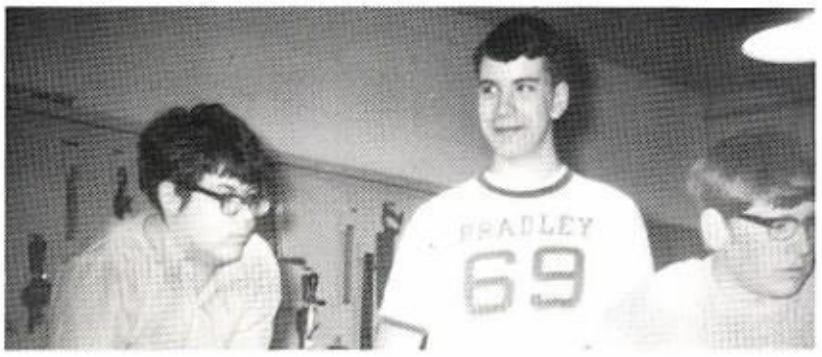


Mr. Bradford

"And They Shall Build Houses and Inhabit Them . . ."

Jeremiah 65:21

It is unusual for a school to have one person 6 ft. 8 in. tall, but this year we had two. One was a basketball player and the other was our industrial arts instructor, Mr. Gary Bradford. Not only can he swing a paddle and build a house, but he also makes a fine "Baby Spirit".

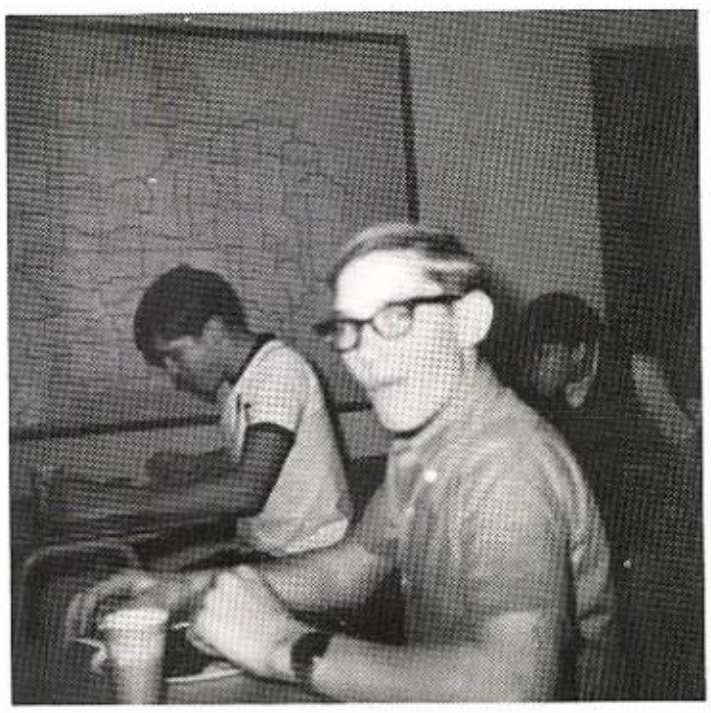


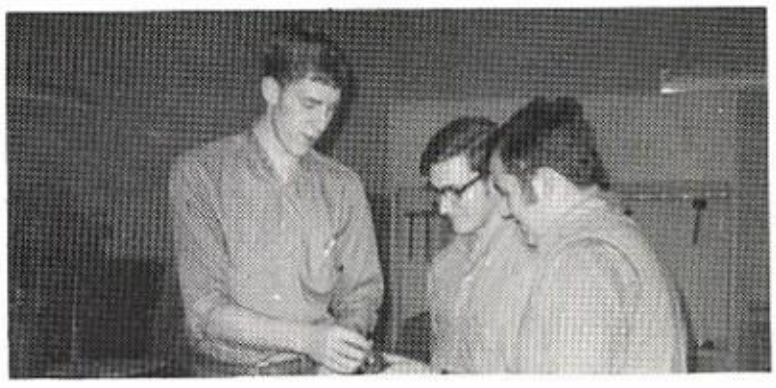
"Life Has No Meaning Except in Terms of Responsibility."

Reinhold Niebuhr

Mr. Hunter

A course in agriculture takes a lot of know-how and common sense, as is illustrated by our Ag teacher, Mr. Ralph Hunter. He is a graduate of Western Illinois University, and here at V.I.T. he teaches Agriculture and Welding. As FFA sponsor his duties are many, but he also finds time to sponsor the Junior Class. Its hard to imagine V.I.T. without Mr. Hunter, because without him who would play Santa Claus in our Christmas programs?



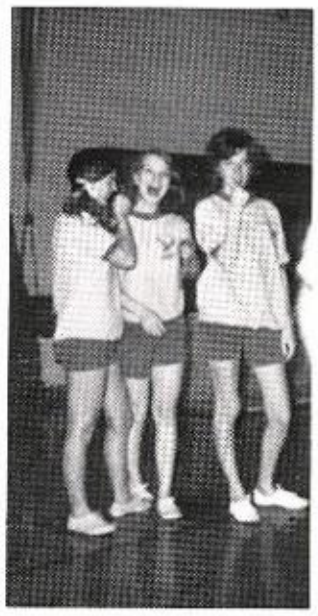


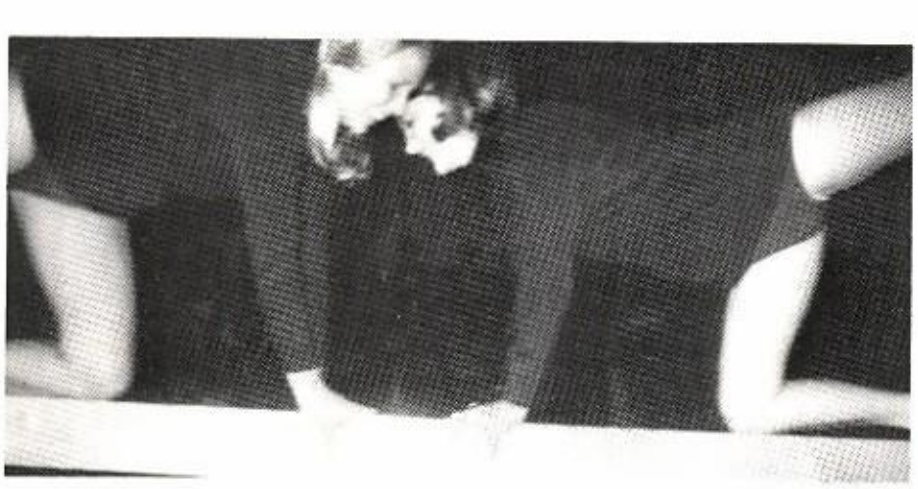
"Health and Intellect Are the Two Blessings of Life"

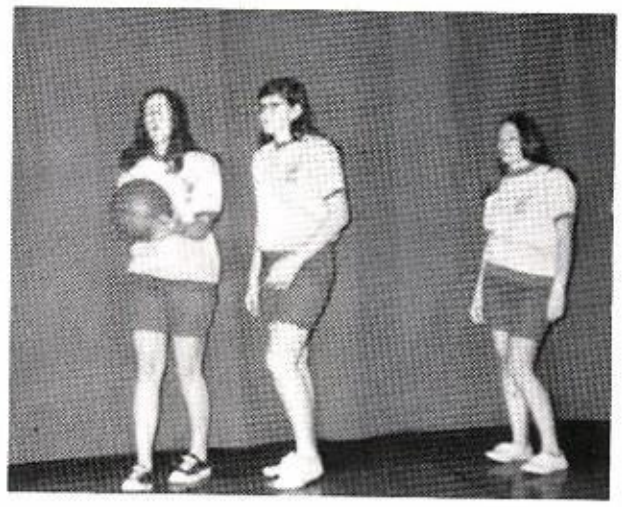
Menander
342-292 B.C.

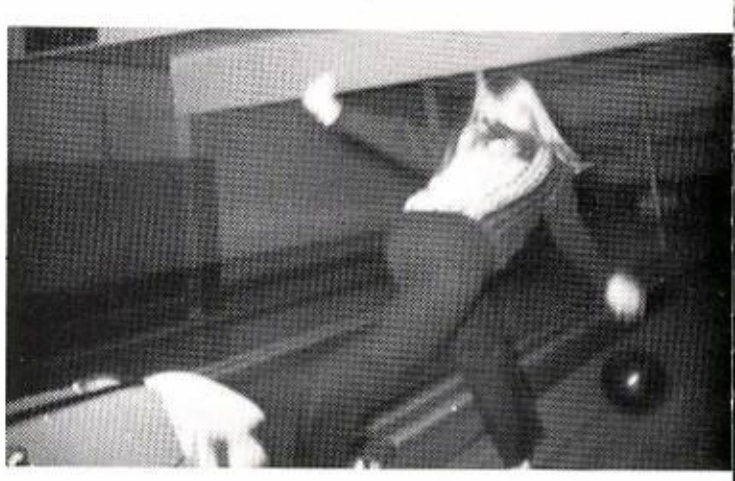
One of our prettiest and most energetic teachers at V.I.T. is Mrs. Irene Herriford, the girls Jr. and Sr. High physical education instructor.

She serves as sponsor for G.A.A., Cheerleaders, Varsity Club, and the Junior Class. With all these activities she still finds time to teach the College English Class something about the Greek Language. Mrs. Herriford received her B.A. of Science Degree from Western Illinois University. One of Mrs. Herriford's finest qualities is friendliness, for she always has a smile and a "Hi" for everyone.









"No Athlete Is Crowned But in the Sweat of His Brow."

St. Jerome

Athletics has long been a strong point at V.I.T. and this year has been no exception. Mr. Trevor Toland, our J.V. football and J.V. basketball coach, had a highly successful year. Besides coaching, he serves as Jr. High Social Studies teacher. OUTSTANDING is the word to describe Mr. Paul Connour and his coaching record. He is also P.E. instructor and Driver's Ed. teacher.

A job well done to these two fine people!

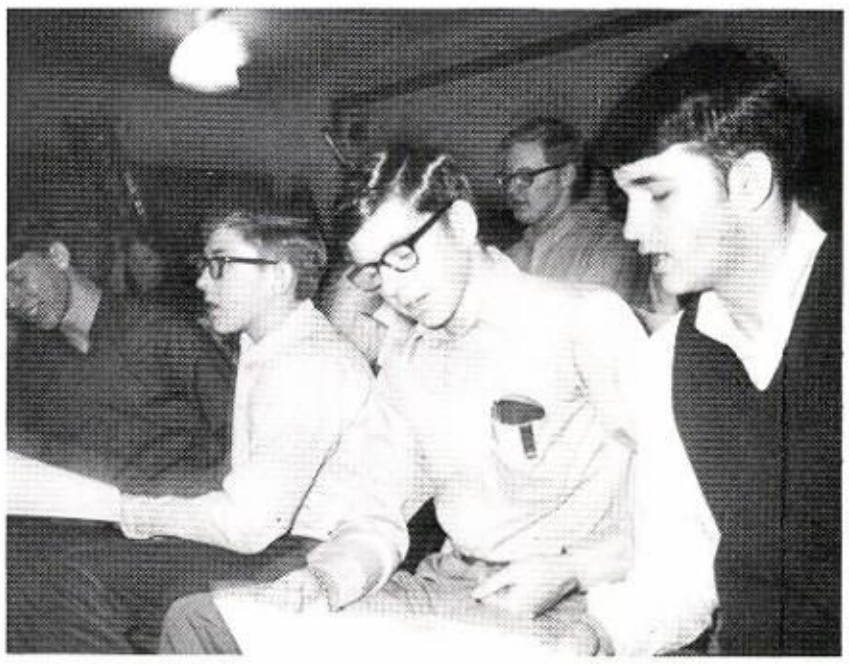
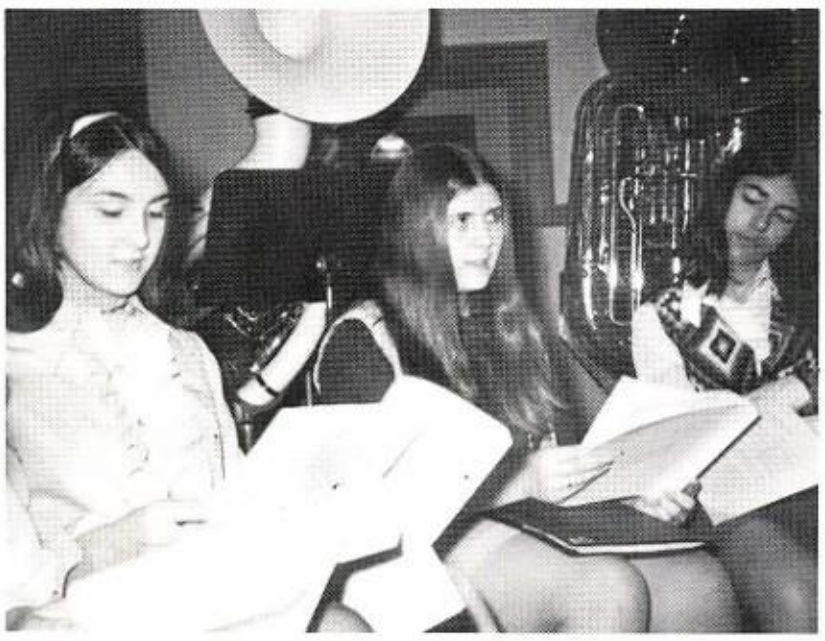
Mrs. Lucie

A bright new spot started appearing in the chorus every day at 12:25 when the school year started. From Greeley, Colorado was Mrs. Janice Lucie, the V.I.T. High School chorus instructor. She graduated from the university of Illinois with a B.S. degree. This being her first year at V.I.T., she didn't know us, and we didn't know her, but her warm attitude and friendliness even got the chorus over the hump of introductions. The chorus participated in school assemblies which entertained the student body, and gave winter and spring concerts.

Here is a salute to a wonderful choral teacher and a true expert on Joe Blow!!



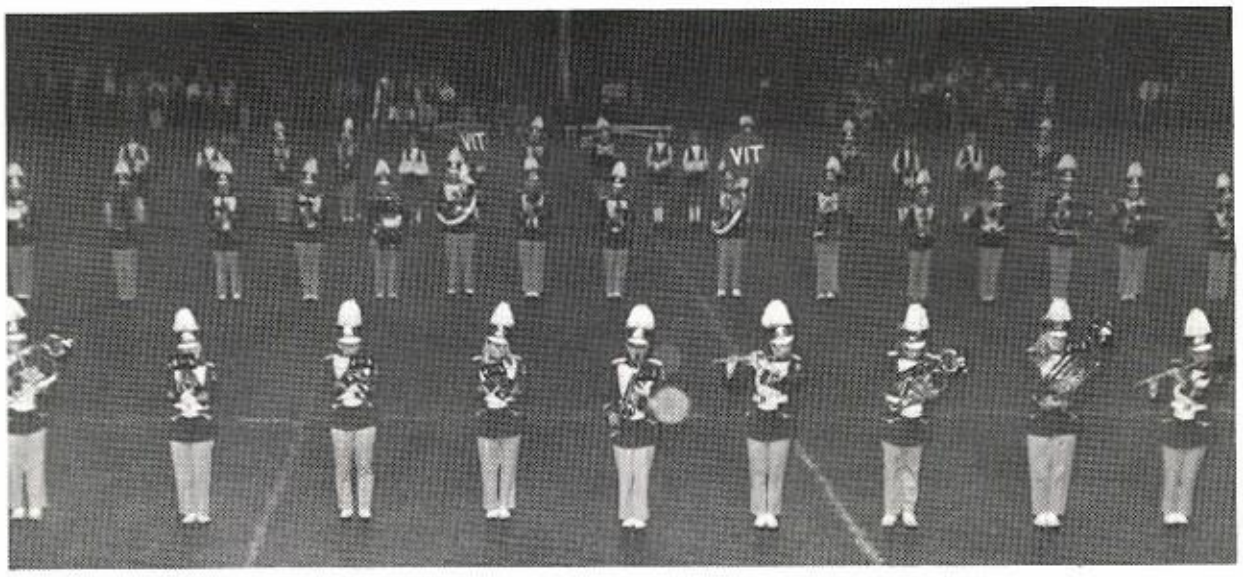


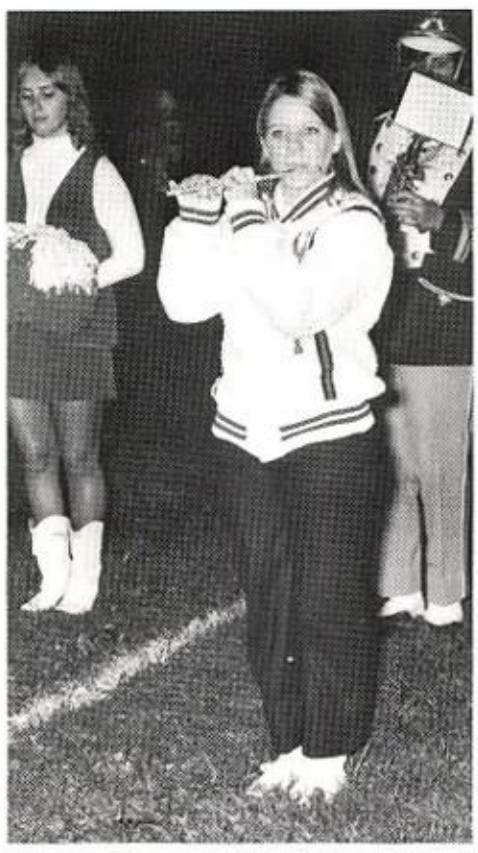
"We Are the Music-Makers, and We Are the Dreamers of Dreams . . ."

A. W. E. O'Shaughnessy

Mr. Tavernier

V.I.T.'s own "Music Man" is Mr. John Tavernier. Many musical activities highlighted this year with the marching band brightening up halftime at all home football games and making V.I.T. known in area parades. The band also played at home basketball games, and gave successful winter and spring concerts. Mr. Tavernier got his B.S. degree at Western Illinois University. Hard work and determination came from both students and Mr. Tavernier.





"Work Is the Sustenance of Noble Minds"

Seneca

The business education department is blessed with two outstanding teachers, Mrs. Milderd Kost, on the left, and Mrs. Mary Ann Cary. Mrs. Cary follows a busy schedule as a Student Council sponsor and helping the students enter the world of business. Mrs. Kost, is a Junior class sponsor and a part time teacher.

Both of these instructors are prime examples of educators at V.I.T.

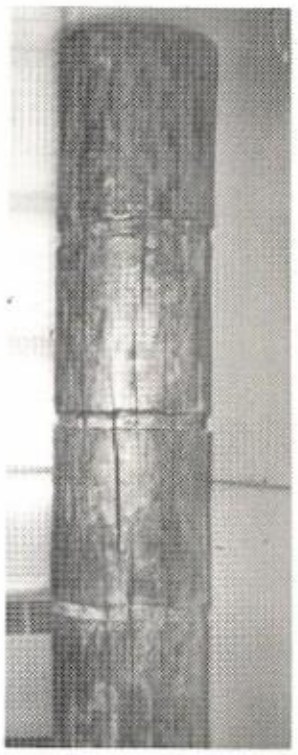
This year we added a new class and a new teacher to our busy schedule. For the first time art was offered and to teach it came a former "Miss Missouri", Mrs. June Lawson. Her classes are mainly Junior High but she also has a high school class. The work of her students always brighten the library and she brightens our halls.



"Nature and Books Belong to the Eyes That See Them."

Miss Anita Hyland

They work out front and . . .

Mrs. Helen McCurdy

Most people think of a library as a place to read books, but our library is much more. Not only is the library a reservoir of books and magazines, you can listen to records, get filmstrips, and have materials laminated. Our hard workers are Miss Anita Hyland, a graduate of the University of Tennessee and Murray State, and Mrs. Helen McCurdy, a graduate of V.I.T. They keep the many facets of the library in order.

This year we had many student teachers from Western Illinois University. Hope they enjoyed being at V.I.T. as much as we enjoyed having them. We wish them luck in their future teaching years.

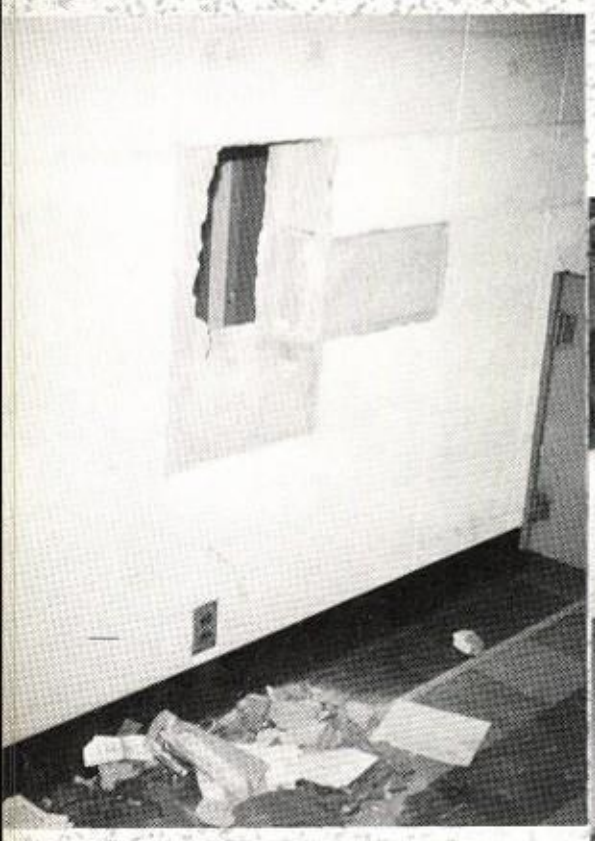
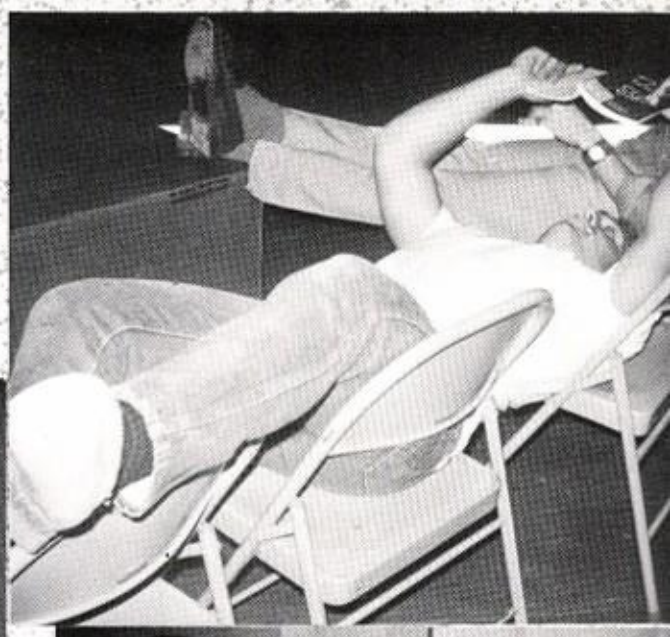
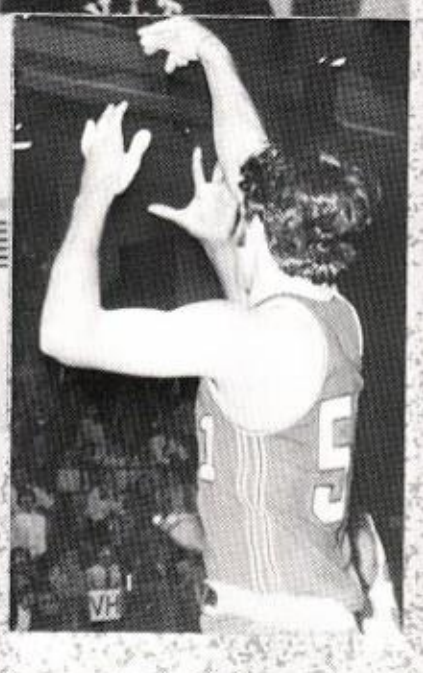
It takes a lot more than teachers and students to keep a school running. Our janitors keep the school spotless, our cooks serve the best gourmet foods, our secretaries keep the school records in tact, and our busdrivers insure our safety in getting to school.

This Is . . . V.I.T.







V.I.T. is many things; academics, sports, work, fun, studying, and just generally goofing off.

We're a busy lot here at V.I.T. but we do occasionally take time out for a break-in!!!

SENIORS

SENIORS '71

Six years ago, as seventh graders we first approached V.I.T. with a mixture of fear and pride. In the past six years a wondrous change came over all of us as V.I.T. bestowed its gifts. Here we have received three gifts which no one can ever take from us: Knowledge, maturity, and many, many memories. A few of these memories which stand in mind are: the wonderment of changing classes in seventh grade, Mr. Cook's board of education, Miss Baumgardner's menagerie, Randy and Betsy as the perfect forever after couple, and Mike and Chris being called Tarzan and Jane, Mr. Walters, the Science Club, and everyone who was anyone having a superball. As Freshmen, discovering the rest of the High School, Mr. Inman's 8th hour Study Hall, Biology I when Brice dipped his earth worm in sulfuric acid, everyone frogging everyone else, rolling marbles around the gym with your elbows at initiation, and just generally being the lowest of the low. As Sophomores: Mark saying a bad word in Physical Science, and getting yelled at, 8th hour English, writing satires on the teachers' "lounge", Bob Parry and Kerry Nielsen getting kicked out of English every day, being able to laugh at initiation, Geometry class giving Mr. Inman two pendants, Nehrus, and losing a dear friend and classmate. As Juniors: finally getting our class rings, the Christmas program that didn't come off, Debbie Reibling's New Year's Eve party, Mrs. Hensley, adding Susie Coons to the class, our basketball team being undefeated in the conference, A PENNANT FOR THE KREMLIN, fun at play practice, a smash-up prom--right Ted, and Jill Wherley's broken extremity. As Seniors: maxi and midi dresses, our first bonfire, Mrs. Covington, Speech class, THE TAMING OF THE SHREW, Carlyle ripping his pants during play practice, beating Canton in basketball, cutting up pigs in Biology II, the trial of MacBETH in College English, College Bowl, and the tearful happiness of graduation.

We'll soon be leaving V.I.T., and in going we end a chapter of our lives, a chapter we shall never forget, but we will go on striving for more glorious heights. As we go we say, "Goodbye V.I.T., Hello, WORLD!"

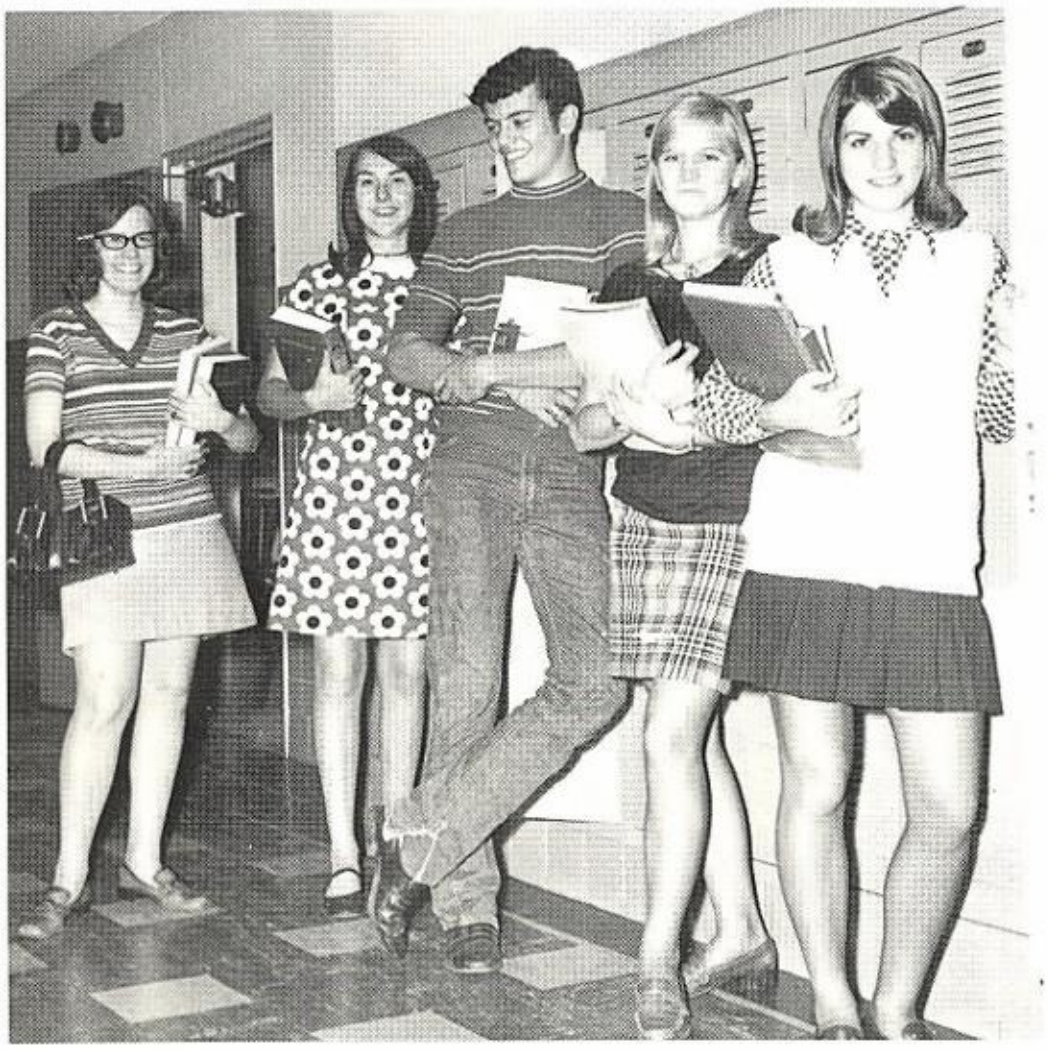
JUNIORS



The Knights of "72"

The Kingdom of "72" became one of renown and fame with a start in the good old castle at V.I.T. King Arthur was in reign along with his faithful advisor Lady Teresa, his scribe Lady Sandy, his chief treasurer Lady Janet, and his chief of public relations Lady Paula. We had many royal advisors led by Dame Dailey.

Football and Homecoming came and also rings of the finest gold.

Included among the responsibilities of our reign were prom and our first class play. Our prom, April Love, was tackled with great enthusiasm, and then we were appalled at how complicated it could become. The class play, State Fair, seemed to be an excellent choice.

Juniors had basketball concessions. We soon learned that this was quite a hurdle to overcome, but Jim stepped in and showed us how.

There was a lot of wig flipping throughout the year, right girls?

The Junior boys seemed to be a great asset to the building of the "house" with Bob displaying step ladder walking abilities and his knack for coming through the ceiling.

Looking back on our first year as upperclassmen, we found education to be more than eight classes a day. We also realized that in our remaining year, we must get as much as possible from those eight classes.

SOPHOMORES

Class of "73"

Being a little more confident and thinking the worse was over, we entered our Sophomore year at V.I.T. We encountered many new, exciting and interesting tasks such as driving, first aid, ordering class rings, selling magazines, cooking in Home Ec., advancing further in agriculture and tackling Geometry.

Leading our class was President Alfred Seward, Vice-President Randy Farr, Secretary Connie Hughes, Treasurer Jill Speer, and Reporter Linda Perkins. Class sponsors were Mrs. Pavelka and Mrs. Cary. Representing our class at Homecoming were Sue Wickert and Randy Farr. As our sophomore year draws nearer and nearer to a close, the mighty class of "73" begins to look forward to our junior year as upperclassmen.

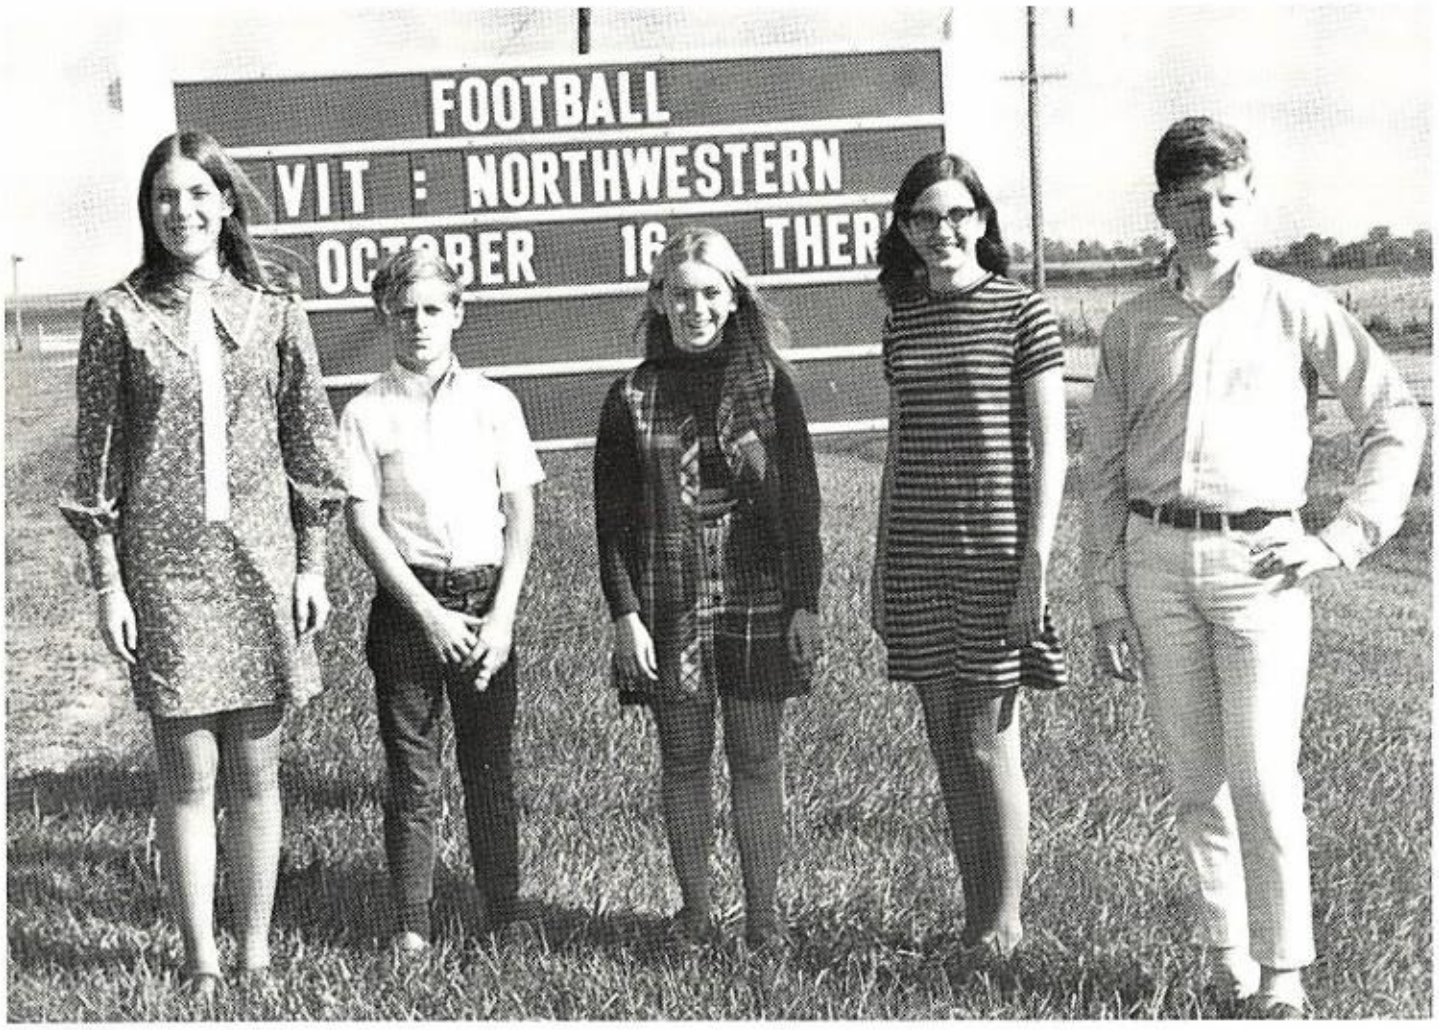
FRESHMEN



Freshmen . . . Class of "74"

Last to come through the door are the Seniors of "74". First to confront us were subjects five, and even after initiation we were all still alive. For President we elected Mike Blemler and Linda Horwedel as Vice President with Gerry Cassidy as Secretary. Jamell Harris was to keep books as she oughter and Mark Hezlep served as reporter.

A class fund was needed so twas found--hence started selling candy by the pound. Vow our goal for the next three years will be to carry the torch for V.I.T.

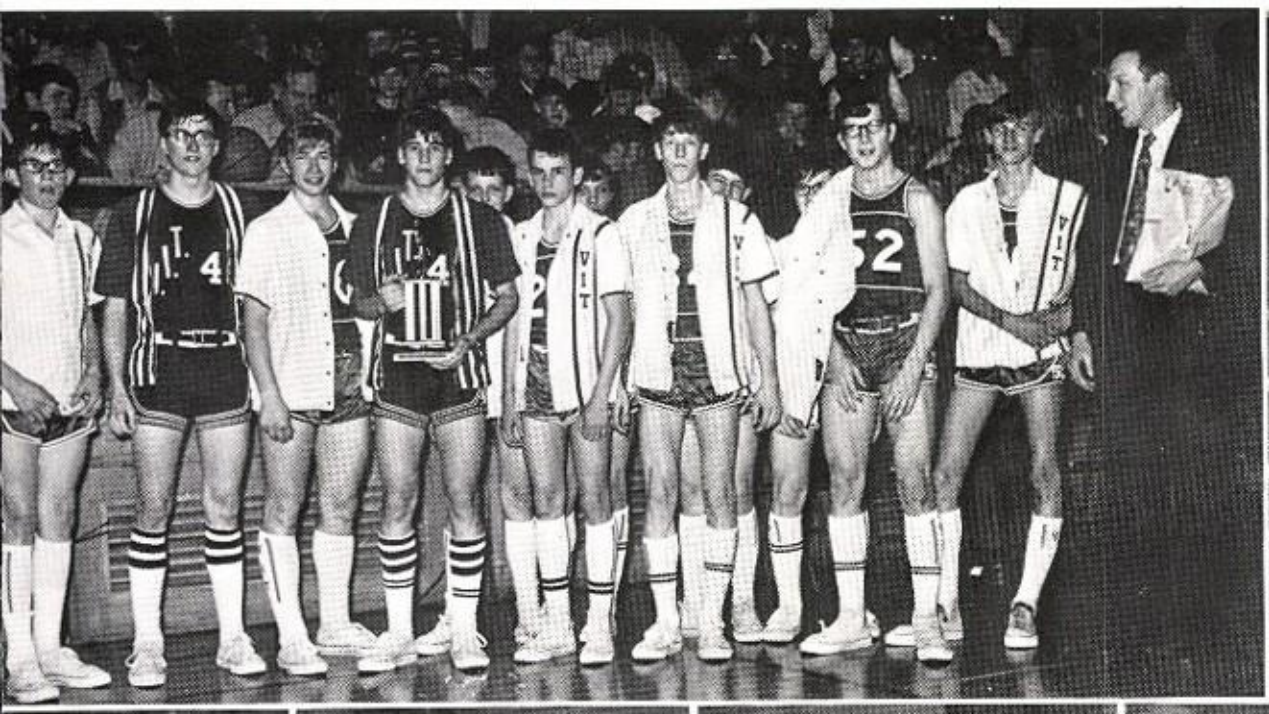
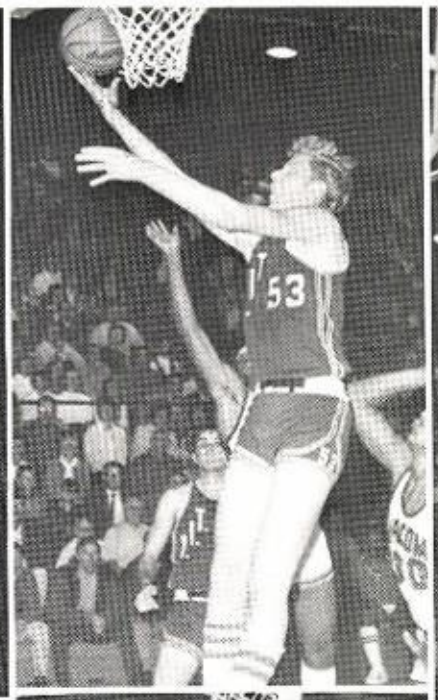
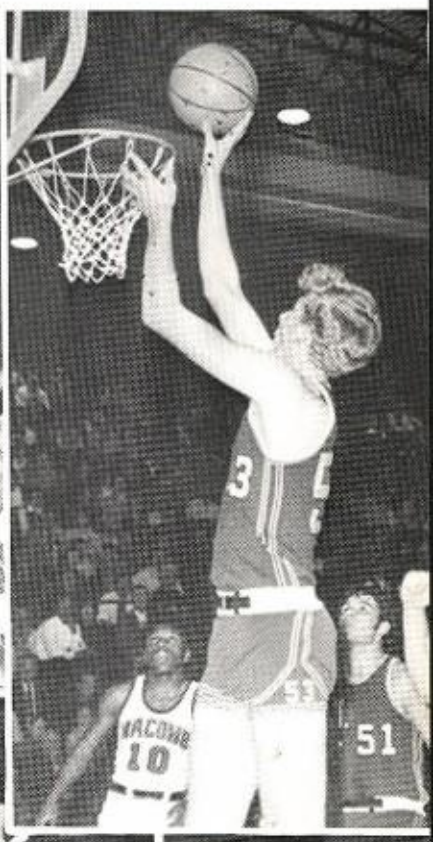
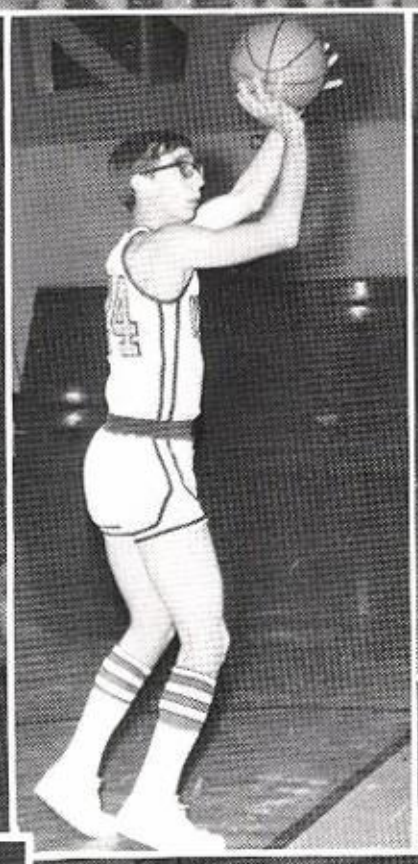
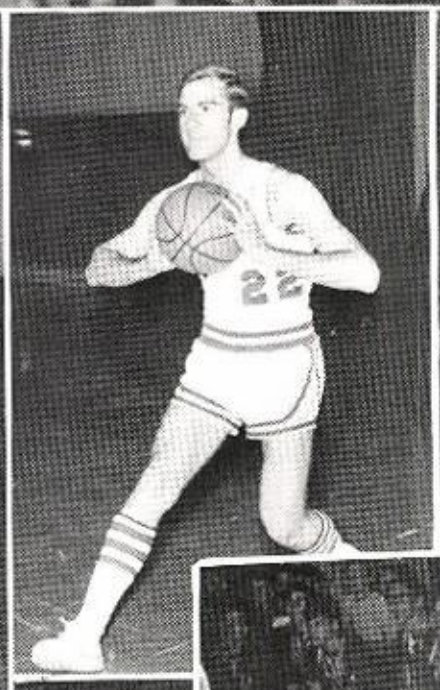
This Is Basketball

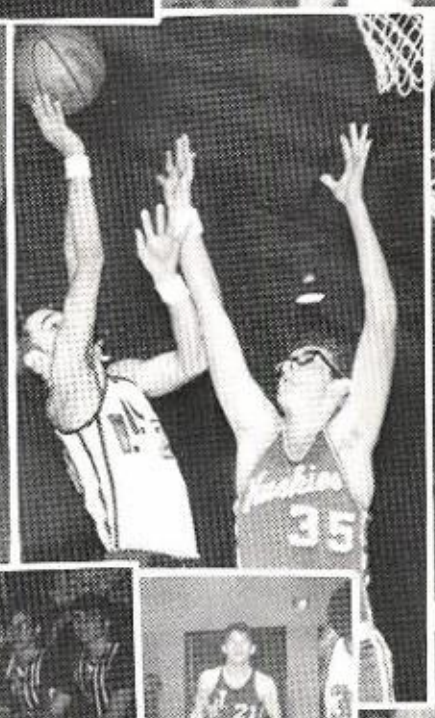


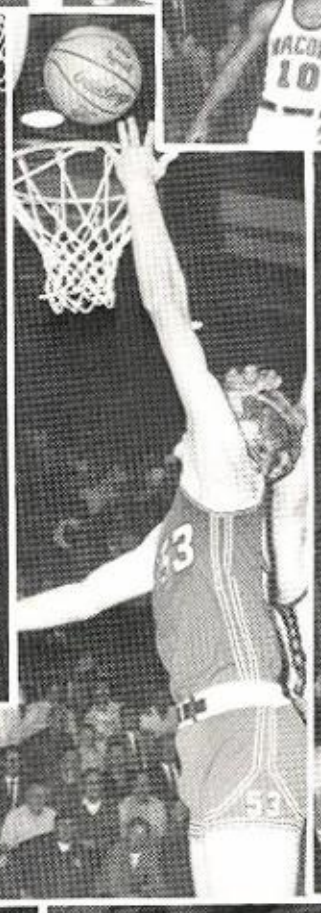


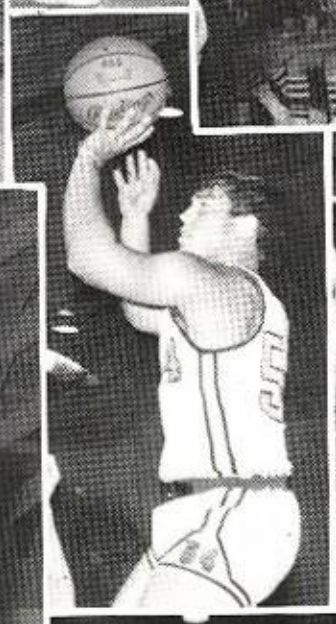


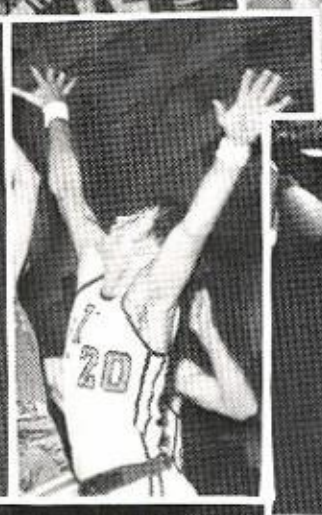


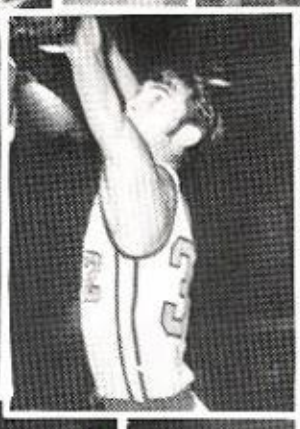


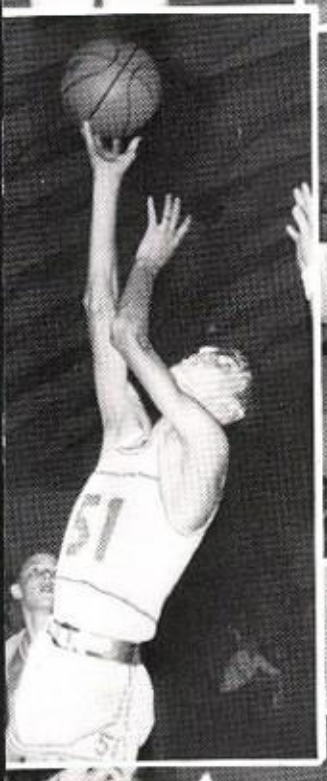


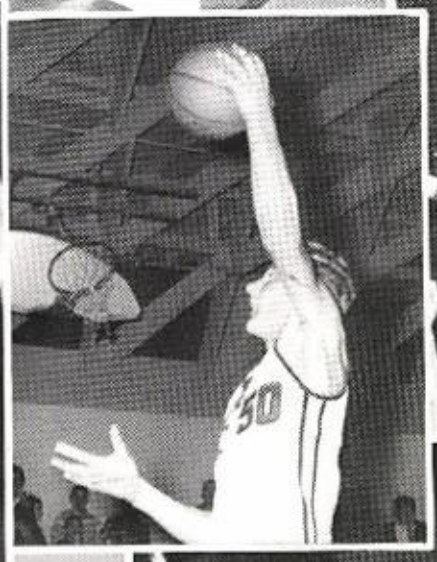






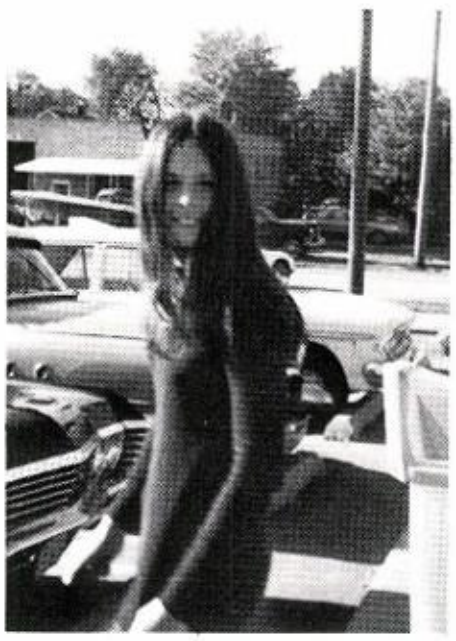






Track—1971

Under the coaching of Mr. Nelson Snowden, the track boys enjoyed a hard working season. They participated in four major track meets, doing well in all of them. Many individuals stood out in the different events with a couple of school records being broken. V.I.T. was also well represented in the WILCO, County, and District track meets, facing rough competition. A fine job of cooperation along with coordination helped the track season of '71 to be one in which pride can be taken.



Northwestern	69--63	2nd
Industry, Astoria	59--52--48	1st
Colchester, Lewiston	44--76--36	2nd
Athens, Havana	60--41--63	2nd

A big congratulations goes to Les Switzer who broke the school high jump record by jumping 6' 1"!

. . . and Baseball 1971

The baseball team under the coaching of Mr. Norm Miller and Mr. Gary Bradford enjoyed a fine season of ten wins and nine losses. Included in this season's accomplishments were a WILCO Conference Championship, a Macomb District championship, and a trip to the Limestone Regional at Peoria. Between conflicts with track meets, rainy weather, and odd jobs, enough players made it to the games, and gave V.I.T. a very successful season.

The student workers perform a great service to our school. The student librarians help out in the library by checking out books and magazines, putting books back in their proper order on the shelves, and doing odd jobs around the library. The student secretaries pick up the absentee slips and help out in the main office by keeping records. The statisticians helped the coaches by keeping statistics and by calling in the games to the newspapers. Ted, our announcer, gave the line-ups at the ball games.

Various things break up the monotony of the year. One of these is the Hornet Herald, our school newspaper. Published each month, plus special editions, by the Journalism class, the Herald is a conglumeration of school, local, and national news --plus cartoons. Even if you have to borrow a dime, the Hornet Herald is a worthwhile purchase.

Leading the marching band down the street is an elite group of girls who call themselves the V.I.T. Drill Team. Their bright green and white uniforms brought more attention to our band. Besides a few special numbers in football halftime shows, these girls gave the flag raising ceremony for all home basketball games. Under the direction of Mr. Tavernier and Capt. Joyce Weaver, this organization has been a fine addition to the V.I.T. arts. For 2 years, Mike Martin has directed the band through both parade and field maneuvers. Under Mike's conducting talents the band had a very successful marching season.

One of the newer organizations around our school is the Varsity Club, created to honor those students who have earned a Varsity letter in sports. This year the Varsity Club initiated a practice which we hope will be continued throughout future years. A bonfire was held during homecoming week of the football season and spirits grew high. Members experienced many fun times going out and eating at a certain coach's house.

The G.A.A. is a very active club around our school. During the football and basketball seasons we sponsored soc-hops after the home games. We also sponsored the Christmas Dance and crowned Tana Carithers as our Winter Princess. At our weekly meetings we kept active by tumbling and gymnastics, bowling, roller skating, and playing softball. This year we had one of the biggest G.A.A. clubs and we hope it continues to remain an active part of our school.

"The Taming of the Shrew" by William Shakespeare

Senior Class Play

This year the Seniors decided to try a different type of class play, so Shakespeare and "The Taming of the Shrew" came into the picture. At first, the cast seemed skeptical about wearing the long, flowing dresses for the girls and the trunks and tights for the boys, but since maxis and men's pantyhose have become the "in" thing there was little problem. Play rehearsals were a lot of fun and the actors and actresses soon found Shakespeare's wit and humor in their lines. The 13th Century jargon was overcome and gave the play its special personality. The mysterious school raids, a light bulb breaker, and a few misfitting costumes caused a few problems, but all in all, this new experiment by the Senior Class proved to be a success.

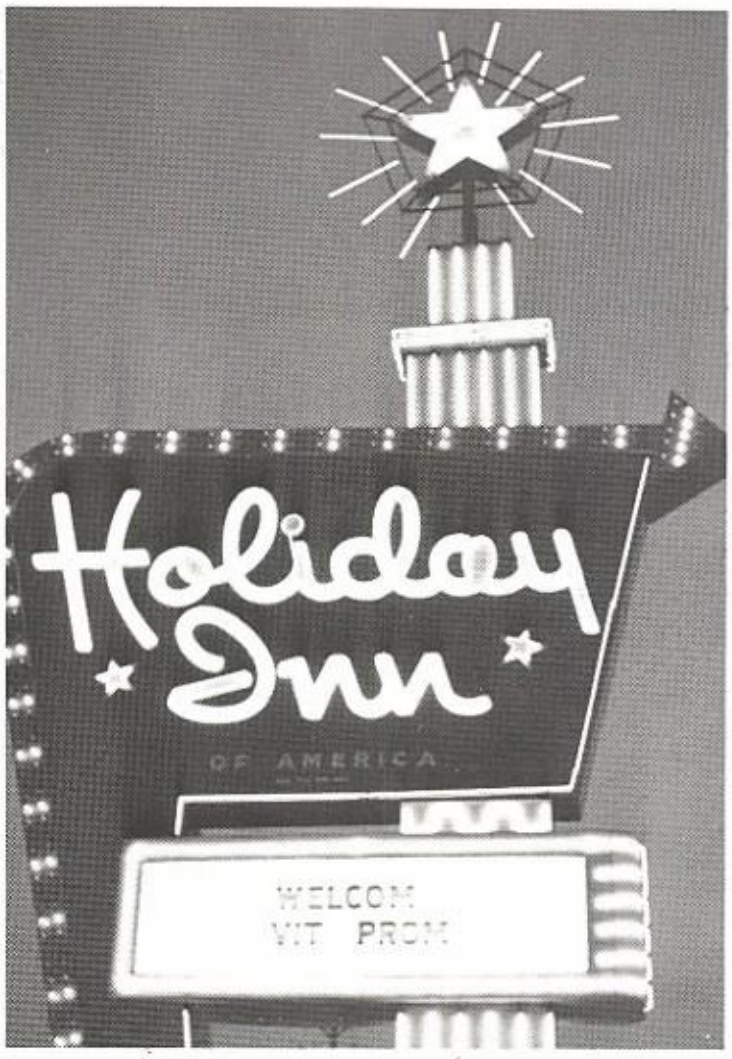
On April 24, 1971, the Holiday Inn provided the setting for the V.I.T. Jr.-Sr. Prom . . .

"April Love"



The evening began with a delicious meal, followed by speeches by the Jr. and Sr. Class Presidents. The Jr. girls sang their memories of the Seniors, and the Seniors realized that this was their last prom.

Queen Barbara & King Mark

After dining, dancing followed with music by Bob Boyd and his band. The climax of a beautiful evening of "April Love" was the coronation.

The Juniors can be congratulated for a wonderful prom.

Sports on the Junior High level don't receive as much publicity as do High School sports, but that doesn't mean they aren't important. Not only do Jr. High sports prepare the boys and girls for High School, but they add excitement and variety to Junior High life. There were fine sports teams in the Junior High this year, and for this we can be grateful. These boys and girls are the sports heroes of tomorrow.

Jr. High Track

There is an important difference between High School track and Jr. High track, for in the Jr. High the girls get into the act. There is a girl's track team and a boy's track team, but that's not unusual, because any boy in sports will tell you that girls make sports what they are.

It's a lot of work and . . .

a little . . .

fun.

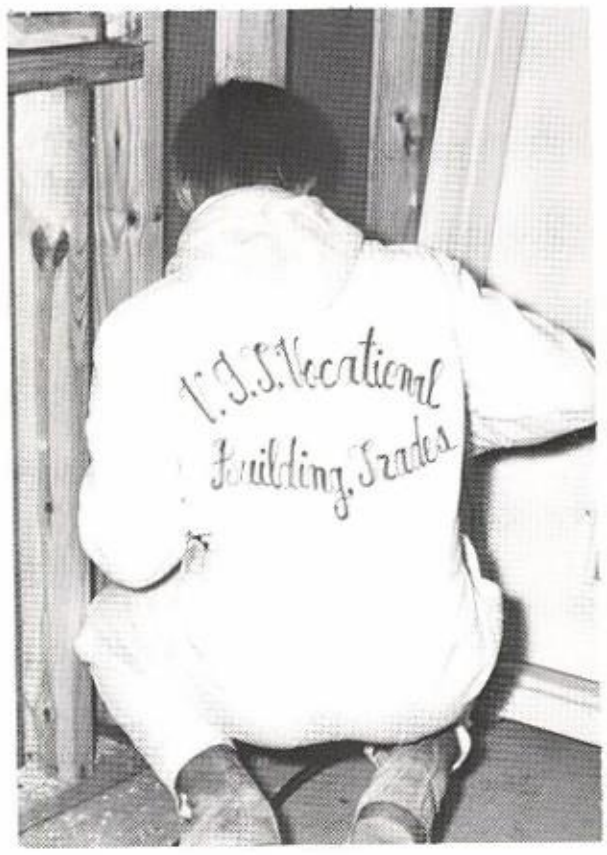
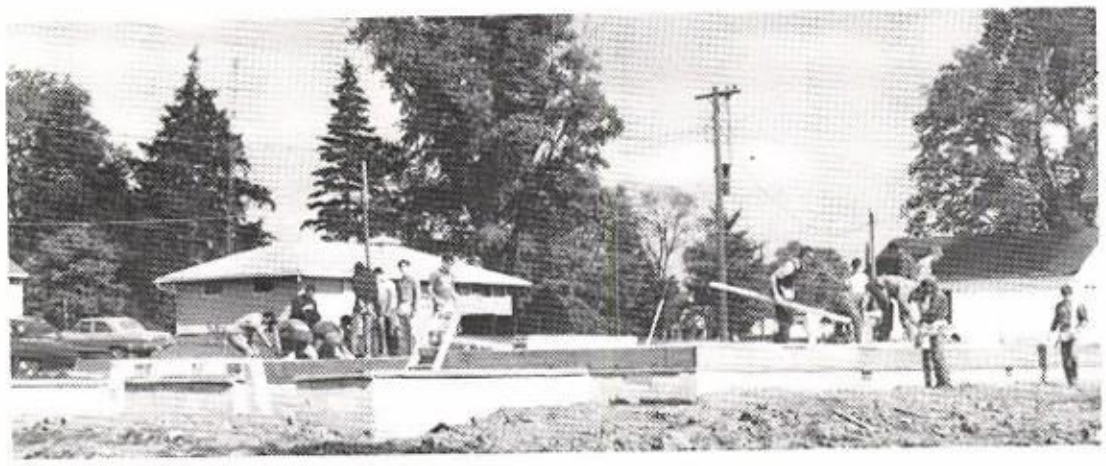
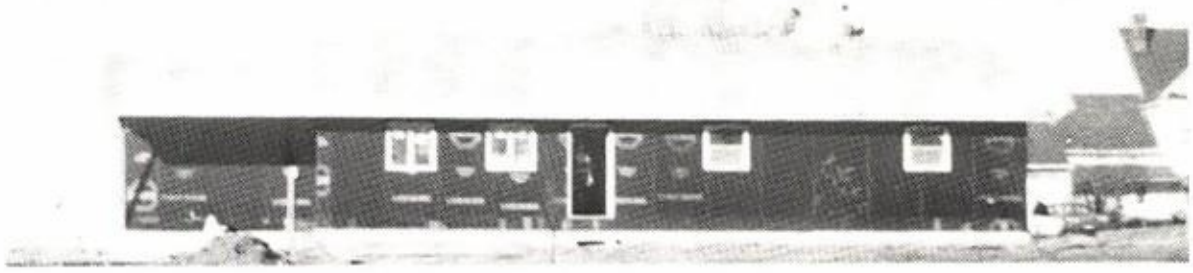
Entering Jr. High, one is always greeted by friendly faces. Interesting classes such as art, where you can "do your own thing" or the enthusiasm shown by fans and players for sports is typical of a Jr. High student. The basketball teams did quite well this year. The lightweights received 3rd in county tournament. The heavyweights received 2nd in county tournament, 1st in district play, and 4th at sectional.

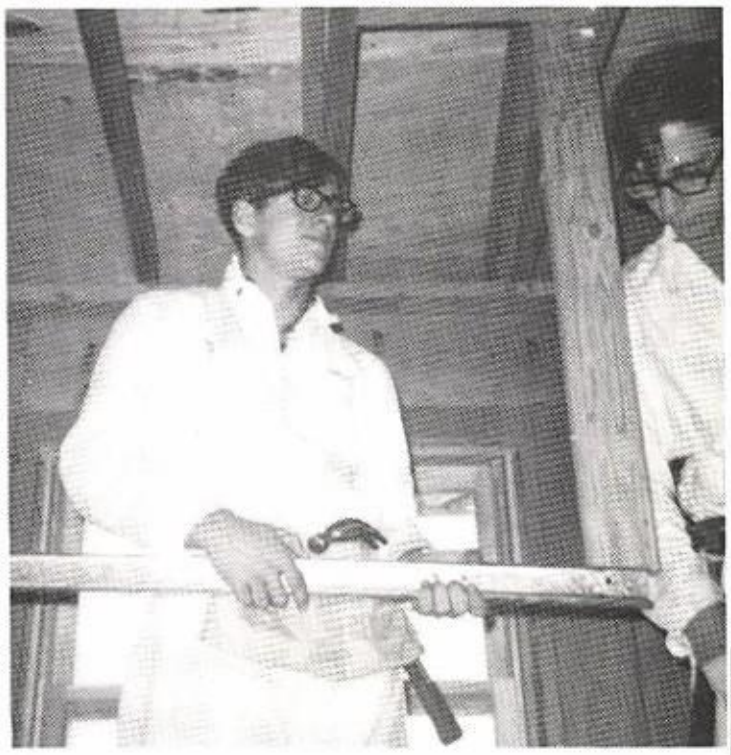
V.I.T. Builds a



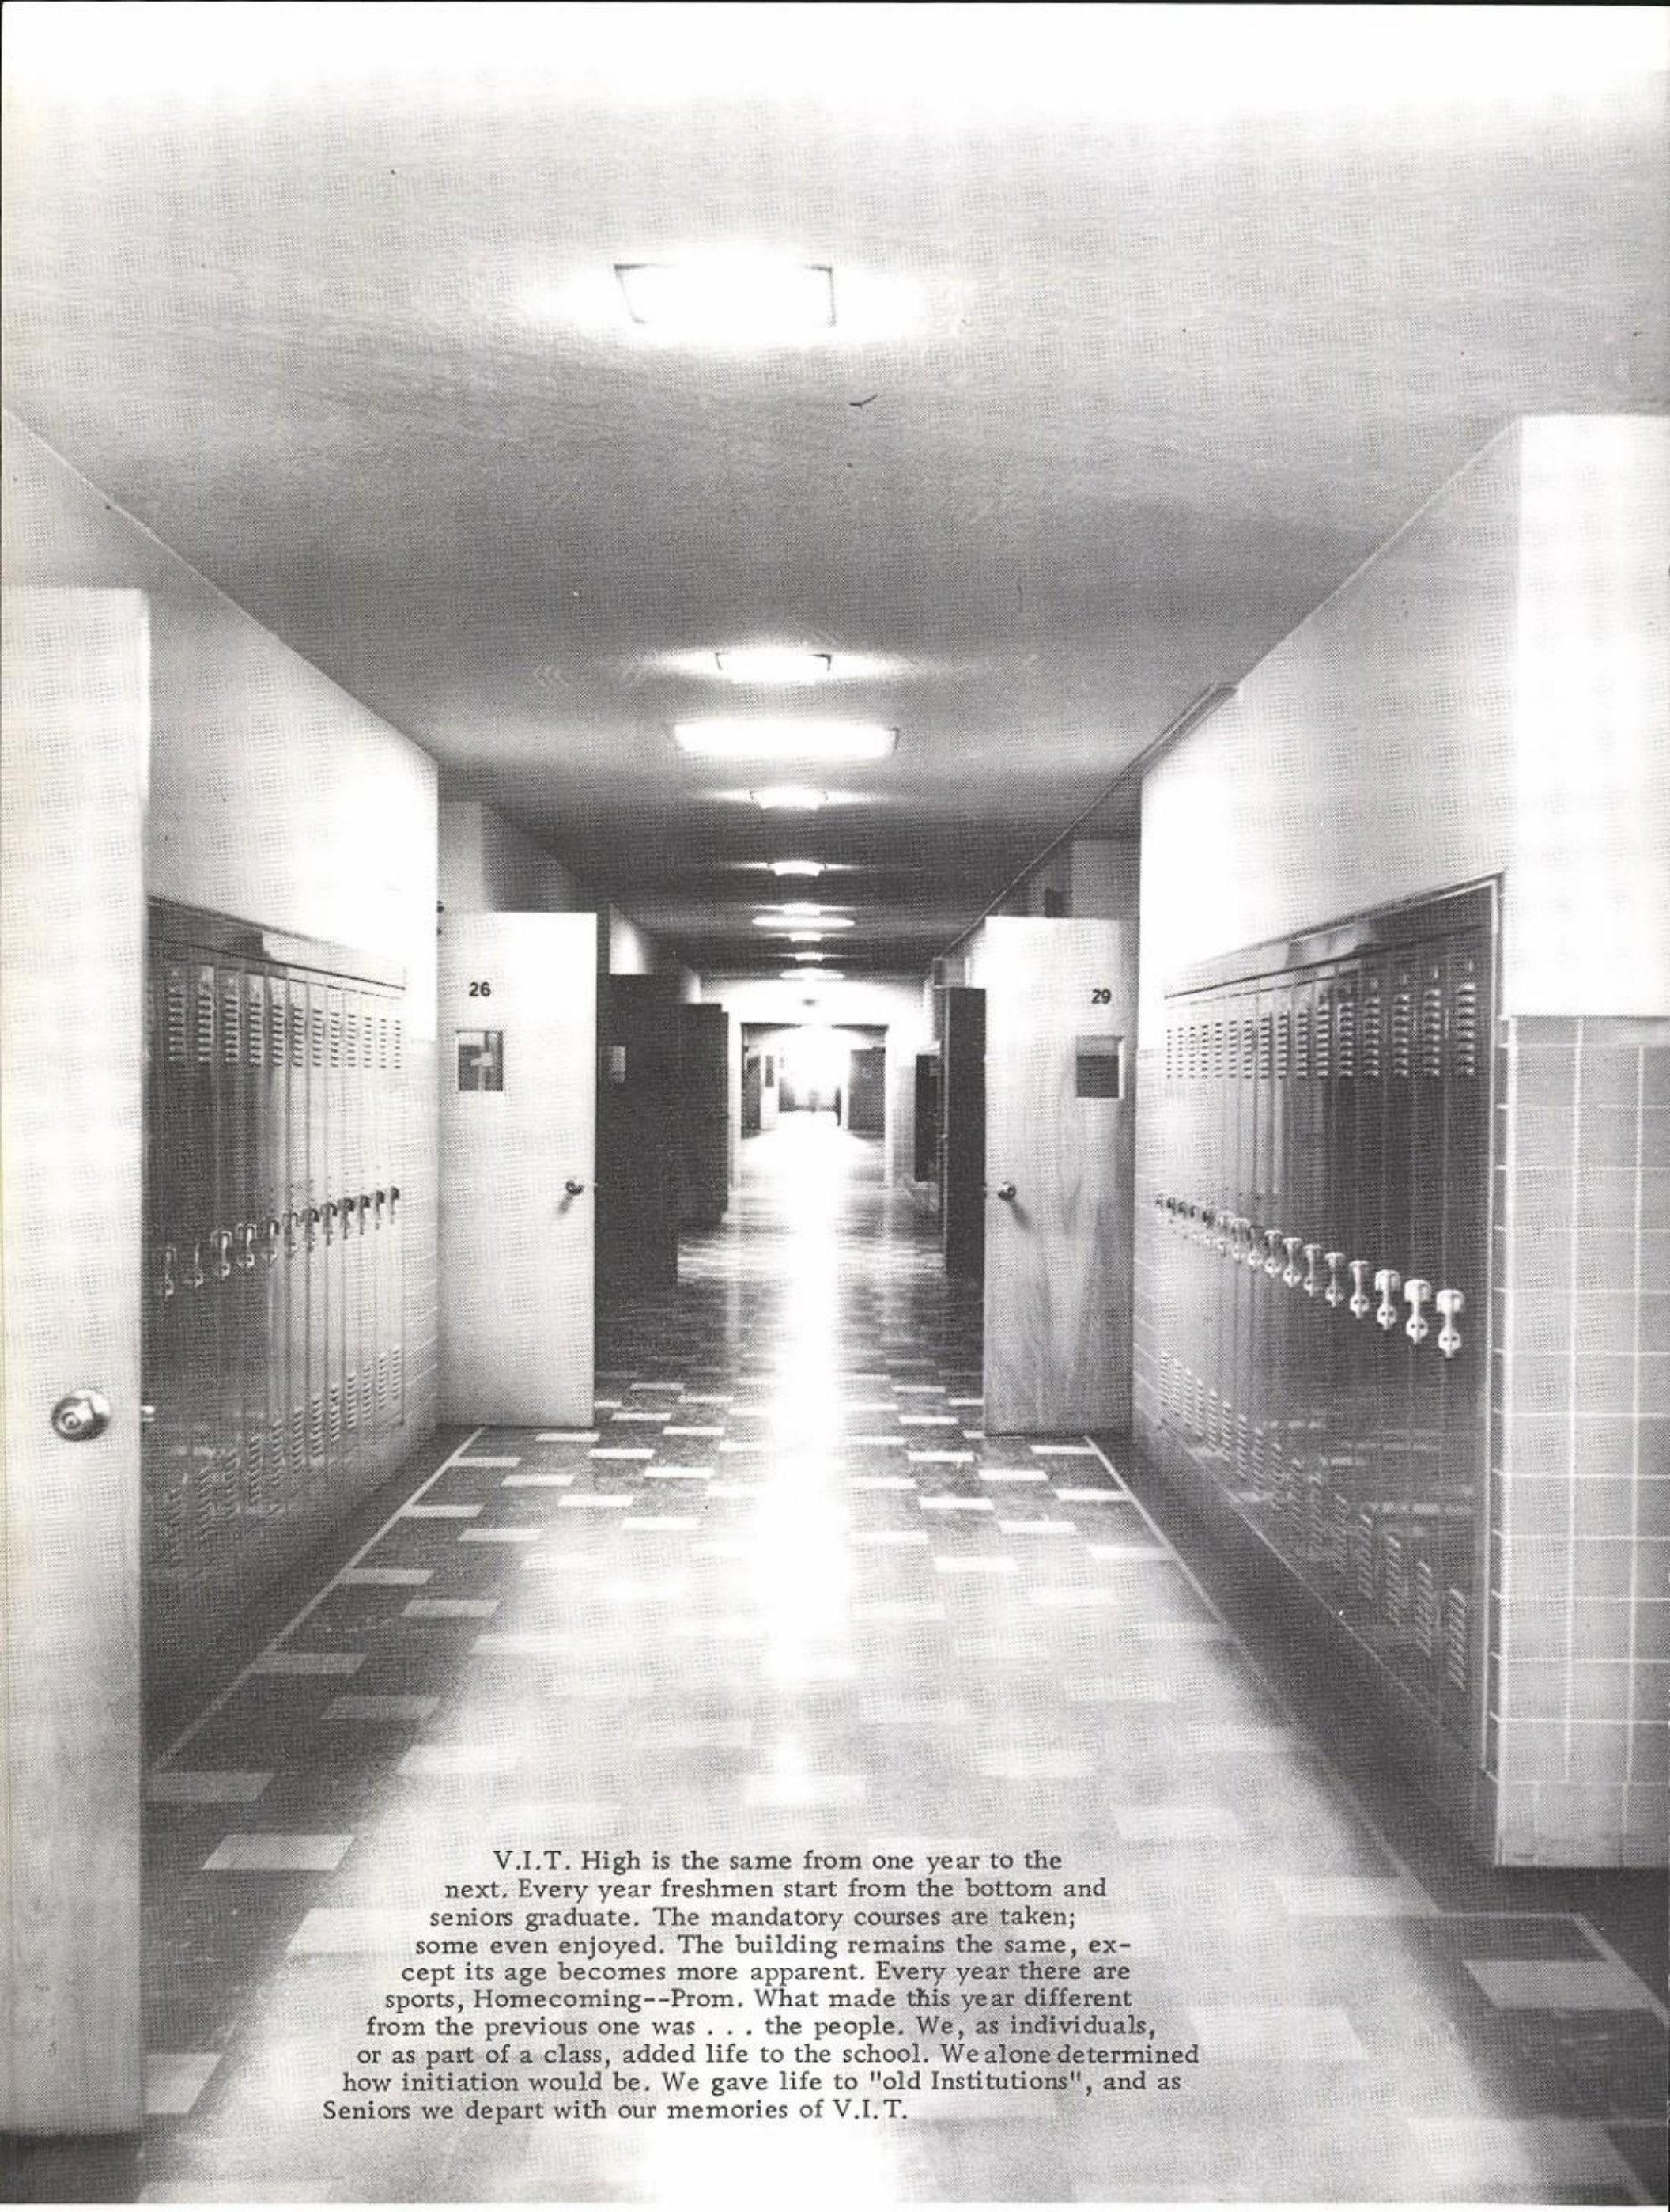


House





This is the house the boys built,
A fine job they have done.
They've earned our admiration,
And had a lot of fun.

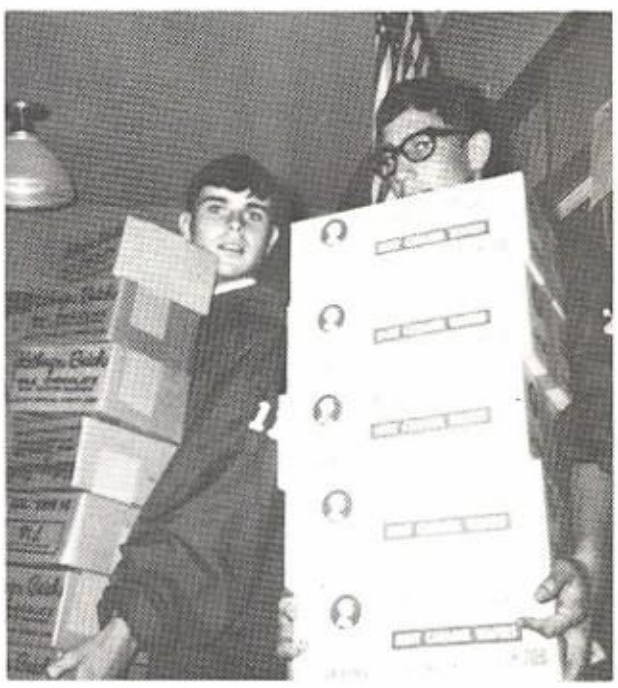


V.I.T. High is the same from one year to the next. Every year freshmen start from the bottom and seniors graduate. The mandatory courses are taken; some even enjoyed. The building remains the same, except its age becomes more apparent. Every year there are sports, Homecoming--Prom. What made this year different from the previous one was . . . the people. We, as individuals, or as part of a class, added life to the school. We alone determined how initiation would be. We gave life to "old Institutions", and as Seniors we depart with our memories of V.I.T.

Who Is To Blame for This Yearbook?

VITORIAN STAFF

LEFT to RIGHT: Mark Dohner, Carlyle Weber, Jill Engel, Jill Wherley, Paula Parks, Jobie Corbitt, Susan Heitz, Jane Wherley, Margo Bubb, Mrs. Knowles--Advisor, Pam Mayall, Teresa Willison, Ted Dennis.



The members of the VITORIAN staff wish to thank everyone who helped make possible this record of the 1970-71 term of the V.I.T. Jr.-Sr. High School. Special thanks to Blankenburgs', the administration, faculty, staff, and students for their cooperation, and to the businesses and friends for their financial support.
